

REMARKS

Allowable Subject Matter

Applicants appreciate the Examiner's allowance of Claims 6 and 10.

The Examiner also stated that Claims 4 and 5 were objected to as being dependent on a rejected base claim but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. In order to advance the prosecution of this application, Applicants are amending Claims 4 and 5 to make them independent, including all of the limitations of independent Claim 3. Accordingly, it is respectfully requested that these claims now be allowed.

Applicants will now address the Examiner's remaining objections and rejections in the order in which they appear in the Office Action.

Specification

In the Office Action, the Examiner objects to the abstract as being too long. Accordingly, Applicants are submitting a new Abstract. Therefore, it is respectfully requested that this objection be withdrawn.

Claim Rejections - 35 USC §102

The Examiner also rejects Claims 1-3 and 7-9 under 35 USC §102(b) as being anticipated by Suzuki et al. (JP 2001-043976) and under 35 USC §102(e) as being anticipated by Kim et al. (US 2002/0045063). These rejections are respectfully traversed.

While Applicants respectfully traverse these rejections, in order to advance the prosecution of this application, Applicants are canceling Claims 1-3 (with the limitations of Claim 3 being added to allowable dependent Claims 4-5 as discussed above) and Claims 7-9. Accordingly, it is respectfully requested that these rejections be withdrawn.

New Claims

Applicants are also adding new Claims 11-34 which recite a specific guest material (e.g. DCM1, DCM2, DCJT) which emits red light. Support for use of these materials is throughout the specification (e.g. pages 14-15).

The fee for new claims has been calculated as shown below.

	Claims Remaining After Amendment		Highest Number Previously Paid For	Present Extra	Rate	Fee
Total	28	-	20	8	(small entity) x 25 (others) x 50	\$ 400.00
Independent	9	-	4	5	(small entity) x 100 (others) x 200	\$1000.00
Multiple Dependent (None)					(small entity) + 180 (others) + 360	\$ 0.00
TOTAL ADDITIONAL FEES						\$1400.00

Applicants are enclosing the \$1,400.00 fee for the new claims and new independent claims. If any further fee should be due for these new claims, please charge our deposit account 50/1039.

Accordingly, it is respectfully requested that these new claims be entered and allowed.

Information Disclosure Statement

Applicants are also submitting an Information Disclosure Statement (IDS) herewith. It is respectfully requested that this IDS be entered and considered prior to the issuance of any further action on this application.

If any additional fee is due for this IDS, please charge our deposit account 50/1039.

Conclusion

Accordingly, it is respectfully submitted that the present application is in a condition for allowance and should now be allowed.

If any further fee should be due for this amendment, please charge our deposit account 50/1039.

Favorable reconsideration is earnestly solicited.

Respectfully submitted,
